

Dear Friend,

The L2P Program seeks your assistance in evaluating the need for learner drivers seeking to complete the South Australian Graduated Learner Driver Scheme.

This request is directed in assessing those learners from the following situations.

- Domestic Violence victims
- Young people who are or have been:
  - \* Abused
  - \* Unemployed
  - \* Homeless/couch surfing
  - \* from Second/third or higher unemployed families
  - \* financially disadvantaged
  - \* under the DCP
  - \* under the NDIS
- Migrants/refugees
- Others – please clarify: \_\_\_\_\_

We have been approached to expand our current service, currently serving the Murraylands six days in the week with the seventh serving learners in Mt Barker. The program is administered from Murray Bridge.

To do so, we need to clarify if there is a genuine need. Justifying an expansion at this stage would require a second car, a second garage and a second team of volunteers. The request has come from Driving Schools, Support Agencies and individuals who are currently residing mainly in the Adelaide Hills and adjacent regions.

If you believe such a need exists, please indicate your reason(s) why below.

- Having a driver's licence increases a person's desire to become independent, work ready and accept challenges in life
- Too many applications for only a few advertised work positions
- There is work available but a licence is required to apply
- The work offered relies on travel where public transport is not available
- Other:  
please state \_\_\_\_\_

Your Name: \_\_\_\_\_ Mobile: \_\_\_\_\_

Your position \_\_\_\_\_  
(parent, manager, support worker, MDI etc.)

The closest town/region you reside/work in: \_\_\_\_\_

**Please drop your reply off at St Vincent de Paul (Vinnies) OP Shop Mt Barker or scan and email to info@L2P.org.au — Thank you.**
